HONORS CREDIT FOR STUDY ABROAD EXPERIENCE APPROVAL FORM

After returning from your study abroad experience and completing the requirements to receive credit, this form should be completed by your honors adviser. The Honors College will retain the original copy and students are instructed to keep a copy to submit with their application for graduation with University Honors.

As stated on the Honors College website:

_Students who study abroad in a regular semester (fall or spring) may earn three credits towards the requirements for graduating with University Honors. The credits are not attached to a given course, but rather are awarded for completion of activities related to the study abroad._

I, ____________________________, certify that_____________________________, VCU ID # ____________________, an honors student at Virginia Commonwealth University, has satisfactorily completed the following assignments for 3 honors credits that will be counted toward this student's cumulative honors credits needed to graduate with University Honors:

- □ Develop and maintain a blog during the study abroad. Entries should be extensive and include photographs. Blogs must be updated no less than twice a month.
- □ Create a written journal cataloguing your experiences. You must make at least two journal entries each week during the time you are abroad.
- □ Complete a three to five page paper in which you compare and contrast the educational system in your host country with the U.S. educational system.
- □ Complete a presentation during the Berglund Seminar Series or (another approved venue) on your study abroad experience the semester after you return to Richmond.
